

4th International Conference on Responsible Tourism in Destinations Living Landscapes of Oman

10 - 12 October 2010, InterContinental Muscat

The conference will provide a forum for government, private sector, academia and international organizations to share experience in the principles, implementation and future trends in responsible and sustainable tourism development.

Discussions will focus on four interrelated themes:

- Tourism, livelihoods, local economic development and human resources
- Responsible tourism in a world of finite resources
- The responsible tourist
- Responsible destinations and marketing.

Conference Highlights:

- Excellent networking opportunities
- Updates on global experience and trends in responsible tourism
- Involvement of international organizations: UNWTO, UNEP, UNESCO, IUCN, etc.
